22. (Unclassified - GLC) Talked to Julie Piennot, Secretary to Representative Paul N. McCloskey, and told her that [redacted] and I could come up tomorrow to show the Congressman the NIEs on Cambodia and Vietnam as he requested. I said we had received a query from State as to a break out of figures on all U.S. personnel in Vietnam, but, as the Congressman would appreciate, we have problems with giving out a paper on something like this although we could arrange to bring someone up to brief him on this subject if he wishes. She said she would pass the message on to the Congressman and added that they had also asked DOD for this information. After talking with the Director [redacted] and Shackley, it was agreed that [redacted] and I would meet with McCloskey at 10:30 a.m. and that Mr. Shackley and I would meet with McCloskey later in the day.

1. [redacted] NIO/Middle East, called to say that ~~State representatives~~ who debriefed Senator Charles H. Percy (R., Ill.) following his recent trip to the Middle East had raised the question of providing the Senator [redacted] Yassir Arafat in view of the Senator's expressed interest in the Palestinians and in Arafat personally. I expressed some reservation about our providing this material to Percy through State and [redacted] will be back in touch with State on the matter. I said if it was decided that Percy should receive this type of information that it should be given to him directly by the Agency.

2. [] Received a call from Mr. Crowley, INR, regarding our position on S. Res. 6, introduced by Senator Richard S. Schweiker (R., Pa.), which would set up a Senate Select Committee similar to the one established by Senator John O. Pastore's (D., R. I.) resolution. I outlined our tentative position and told him I would get back to him with more details and possibly a draft when our response has been completed. He is very interested in following our lead in responding to the Committee.
